RESPONSE TO NOTICE TO FILE MISSING PARTS

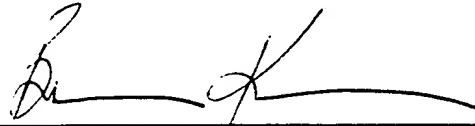

Box PCT
Asst. Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Notice to File Missing Parts of Application mailed November 8, 2000, for the above-identified application (a copy of which is attached), the period for which to respond extends until December 8, 2000, is a petition to correct inventorship under 37 C.F.R. § 1.48(a) and a petition to suspend certain rules under 37 C.F.R. § 1.183. As stated in the petition, Mr. Decker and Mr. Baloh were **not** listed as inventors on the priority document for this application, which is United States Patent Application No. 09/064,352. Because Mr. Decker and Mr. Baloh were listed as inventors/applicants on the corresponding PCT application due to a clerical error without any deceptive intent, the petition to remove them as inventors/applicants should be granted. Once the petition is granted, the remaining inventors respectfully submit that the original declaration, a copy of which is attached, is not defective because all the true inventors are listed.

Enclosed is a check in the amount of \$65.00, which is the small entity surcharge associated with responding to a Notification of Missing Requirements. If any fee not otherwise accounted for, including any fee for an extension of time, is required, please charge any such fee to Deposit Account 082623. A duplicate copy of this letter is enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Brian Kinnear', written over a horizontal line.
